PROPERTY HIGHLIGHTS

Immediate visibility when entering Hudson on the corner of the main downtown street and Highway 52. Three signs already adorn the building for high visibility.

A separate workshop and office space show off the showroom could be used as a living space, provided the buyer follows current codes and ordinances. Living quarters for a single family only of an owner/operator!

Upgrades made in a recent remodel include: ceiling tiles, paint, high efficiency LED lighting, Earth Works LVT commercial flooring wainscoting, cedar walls, high-security window coverings, natural stone tile, and a marble sink in the back restroom. The three exterior entrances feature heavy, custom steel vault doors that provide both insulation and security for the building.

The site benefits from an affluent trade area with an average household income exceeding \$100,000+ within a 10-mile radius.
