

INCA STREET TRAIL RECOMMENDATIONS

*In order of priority

- ① **Inca Street Improvements**
Add trees/landscaping/green infrastructure buffer from street as well as lighting, signage, and public art along trail.
- ② **Extend Trail Under I-70**
Coordinate with property owners to add public trail access and connect with proposed NNW Loop along 48th Avenue and Osage Street.
- ③ **Possible Regional Connection**
Study potential to connect into Clear Creek Trail system to the north.

CUERNAVACA PARK ACCESS TRAIL RECOMMENDATIONS

*In order of priority

- ① **I-25 Underpass Improvements**
Add lighting and public art.
- ② **Kalamath St. Improvements**
Create direct connections along Kalamath Street parallel to I-25 - ideally as a shared use path or protected bike facility - to create continuity for the proposed NNW Loop.
- ③ **Off-Street Trail Improvements**
Add trees, green infrastructure, lighting, signage, and public art along trail.
